Minutes approved

Treasurer's Report approved

1-Holiday party committee will meet September 8, 2025

2-One Pitch review. Pete was not at the meeting to present. The tournament went smoothly. There was discussion about the Baden balls. We were told that the Baden balls were not good for the age approved bats, they are good for Senior bats only. We need to look for a way to keep people from randomly entering the playing field. It was suggested we should move up several of the players from the younger group to make the older group more competitive. Ron Okada will be in charge of the winning teams awards.

3-San Jose Giants Review. Of the 48 tickets bought, 45 were sold. The day was a success. Thanks Bill for your work.

4-Adaptive P.E. donation. The treadmill should be coming in next week. A plaque will be added for Ron Bauman. Thanks to Ron Okada for all his work.

5-Webmaster. Rick and Brenda will be getting together soon to work on the website.

6-Brenda Guzman has been voted in as our 9 board member effective September 4.

7-Winter league has moved to Hawes Park on Monday nights. There have been large crowds of 40 plus. Mike reported.

8-Thanks to the Blues for contributing a shade pop-up for use at Griffin.

The meeting was adjourned at 7:50 p.m.

Next Meeting: October 1, 2025
